# Prospects Across Scotland

## Our aims are

- ✝ To raise awareness among Christians in Scotland about the needs of people with learning disabilities
- ✝ To equip churches to be more effective in how they welcome people with learning disabilities and share the good news about Jesus in a way they can understand
- ✝ To provide opportunities for people with learning disabilities to take part in church and develop a relationship with Jesus
- ✝ To highlight the gifts of people with learning disabilities and how they can build up the church.
