

**We aim to equip churches to be more effective in how they welcome people with learning disabilities and share the good news about Jesus in a way that can be understood – find out how!**

## What We Do:

- Regular online training events
- In-person training at your church – either one of our existing courses or bespoke to your situation
- Workshops
- Seminars
- Offer support to you to run a group especially for adults with learning disabilities to worship, pray and explore the Bible

## How We Work:

We aim to make our training very affordable for churches or individuals wishing to do our courses. Cost should not be a barrier. We work with all sorts of churches, anywhere in Scotland – contact us for details, we'll be happy to help!
